

Work for 3rd Class Monday 20th April - Friday 1st May 2020 (Two weeks).

Hi everyone,

I hope you had an enjoyable Easter Break. Thankfully the weather was great. It was great to see so many of you sending me work on seesaw before Easter. Keep it up. If you haven't signed up for it yet, ask your Mam/Dad to email me principal@caherconlishns.ie and I will send them the home learning code.

Bua na Cainte: I am recording the interactive element of the lessons and I'll post on seesaw app. In this way pupils can hear the correct pronunciations of words. The Bua na Cainte Interactive Programme can be downloaded for free edco.ie/bua **Username: trial Password: trial** (It does take up a lot of space). This is the version we use at school.

Don't forget to take pictures of your work and upload it to seesaw. Its best if you write in pen/ biro as sometimes it can be hard for me to read the exercises done in pencil.

I'll be putting up fun things to do during week on seesaw so don't forget to log in every day.

Regards

Mr. Ryan
