

Suggested work for closures 01/06/20 – 12/06/20

Hi everybody.

I hope you're all doing well and enjoying the lovely weather. Its been great to see all the excellent work/skills/hobbies you all have been practicing during the quarantine. Well done and keep uploading to the virtual diary. As we are coming to the end of our books, we will be doing more learning on Seesaw over the coming weeks. I'll be keeping the workload light and will be doing more project-based learning.

If anyone still wishes to sign up to Seesaw you can contact Mr Ryan at principal@caherconlishns.ie. I will also upload resources and templates for completing work to a Dropbox.

You can access it here:

All the best, - David Tynan

I understand that this is a stressful time for families, please do not feel obliged to complete all this suggested work – You know what is best for your child.
